

INT. FRONT ENTRY OF THE SANCHEZ HOME - EARLY MORNING

Manuel and Carmen - while putting on their robes - frantically rush down the stairs after hearing Elenor's scream. The nanny barrels through the front door holding an upset Elenor.

MANUEL

What happened?

CARMEN

What's going on?

NANNY

She found one of your workers behind the barn. (Beat) He was not breathing.

Manuel is horrified as Carmen tries to soothe the upset Elenor.

MANUEL

Why were you at the stable?

NANNY

We walk there every morning. She likes to see the horses and watch the stable hands train them?

CARMEN

Don't take her again.

NANNY

Yes, Ma'am.
I'll draw a warm bath for her.

CARMEN

Then what are you waiting for? GO!

The nanny and upset Eleanor head upstairs. Manuel is beside himself.
